

Welcome to the
UMass Center for Clinical and Translational Science (UMCCTS)

Our vision is to improve health and health care delivery by:

- Advancing the science of translation
- Catalyzing high-quality research across the translational spectrum
- Building and supporting a robust translational workforce

Our overarching goals:

- Speed the development of new products and approaches to advance patient care and community health
- Train the next generation of leaders in clinical and translational research

Discover how we can help you!

Our team will work with you to access our scientific strengths and unique resources. We provide cores, funding and services that enhance the quality, efficiency, speed and impact of your clinical and translational research.

Collaboration, Community Engagement & Team Services

This includes:
Clinical Partners

CTSA Network

UMass Campuses

Community & Science

Participation Cores

Funding

This includes:
Pilot Grant Programs

Core Resources

This includes:
Project Management
Research Navigation
Research Resources

Workforce Development

This includes opportunities for:
Undergraduate
Junior Faculty
Master's Students
Pre- & Post-Docs

Clinical Research Professionals

Enabling the Quality & Efficiency of Clinical Research

This includes:
UMCCTS TRACs

Multi-site Collaborative Study Assistance

Regulatory Support

Informatics

Biostats & Study Design

CENTER FOR CLINICAL AND
TRANSLATIONAL SCIENCE
