RETIREMENT

Participation in the MA State Employee Retirement System (MSERS) is compulsory, paid by you on a pre-tax basis, in lieu of Social Security (OASDI). This may impact your future Social Security benefits.

The MSERS is a Defined Benefit Plan. You contribute 9% on your whole salary and an additional 2% on your salary above \$30,000. The plan is designed to provide you a monthly income based on your age, salary and service at the time you retire. Details can be found at:

<http://www.mass.gov/treasury/retirement/>.

Professional employees (non-unit professionals and NAGE professionals) are also eligible for the ORP (Optional Retirement Program) as an alternative to the MSERS. The ORP is a defined contribution plan. Eligible employees will receive a **Notice of Eligibility** and information at time of hire. Employees contribute 9% of their total salary plus an additional 2% for salary over \$30,000 per year. Employees also receive an employer match of 4.3%. Employees have a choice of investment options through Fidelity and TIAA. All contributions are 100% vested. Information on the ORP can also be found on the ORP website: www.mass.edu/orpenrollment.

Your taxable income is reduced by the amount you contribute. UMass Chan offers two FSA options: Health Care Spending Account (HCSA) and Dependent Care Assistance Program (DCAP).

You may enroll as a new hire during your first **10** days of employment, otherwise you may enroll during the open enrollment period held annually every April/May for a July 1 effective date.

Note: Enrollment and re-enrollment must be done online at: benstrat.com/gic-fsa.

Grace Period for FY 2022: The FSA plans reverted back to their standard administrative guidelines. This means that the grace period for both FY 2022 and FY 2023 will be 2.5 months, with an additional month allowed for claim submissions. This means that you will have until September 15 to incur claims (based on date of service) for a plan year that ended on June 30. You will then have until October 15 to submit those claims for reimbursement.
