

To order several oligos at once, go to the oligo entry page, and click on BULK INPUT

On the bulk entry page you will paste in your sequences arranged in the desired format (note the hints and codes on the right side of that screen)

To get the sequences ready, either create or download the sample excel template. An example is shown below. You should copy the section highlighted and paste in to the window then click UPLOAD

Name	Sequence	Scale	Purification
oligo1	GAGAAAGCTGGCCATCTGA	25nm	STD
oligo2	CCCGCTGCTCTACTTCTT	25nm	STD
oligo3	GAAAGCTGGCCATCTGAAT	25nm	STD
oligo4	GAGATCTGAGTCCGATGATGGTGGTGCCTCTGGCCC	100nm	PAGE
