

E*Value Quick Start

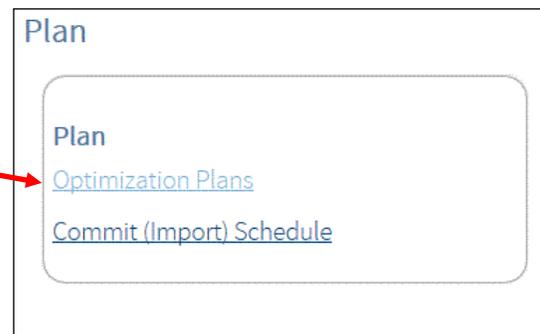

Editing Student Preference Screen

Prior to opening, you can edit the screens students access to indicate preferences.

1. After you log into E*Value, click on the **Optimization Setup** tile in the top navigation bar to see **Optimization Menu Bar** then click on **Plan**.

2. Click on **Optimization Plans** in the **Plan** Menu.

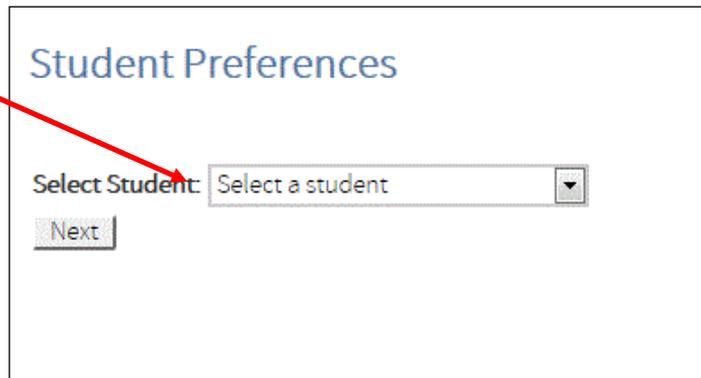

3. Click on **edit icon** in the **Student Preferences** column.

The image shows a table titled 'Manage Optimization Plans'. It has a header row with columns: Plan Description, Program Preferences, Preference Options, Manage Students, Emphasize Students, Student Preferences, Plan Actions, and Schedule Draft Actions. The first row is highlighted, and a red arrow points to the edit icon in the 'Student Preferences' column.
