

BB Learn Quick Start

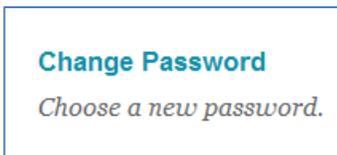

Changing Your Password

The following steps will walk you through how to change your password in Bb Learn:

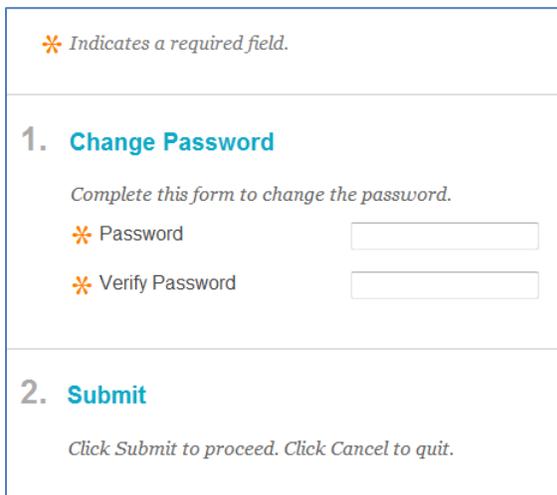

1. On the Institutional home page, click on **Personal Information** under the Tools Module:

2. Click on **Change Password**:

3. Fill in the **Password** and **Verify Password** fields and click on **Submit**:

A screenshot of the 'Change Password' form. At the top, there is a note: '* Indicates a required field.' Below this, the form is divided into two sections. The first section is titled '1. Change Password' and contains the instruction 'Complete this form to change the password.' followed by two input fields: 'Password' and 'Verify Password', both marked with an asterisk to indicate they are required. The second section is titled '2. Submit' and contains the instruction 'Click Submit to proceed. Click Cancel to quit.'
