

Mothers' Rooms at UMMS

In support of our employees' health and well being, UMMS has eight Mothers' Rooms on six different campuses. The rooms are available to any nursing mother who is a student or employed by UMMS or UMMHC.

University Campus

- **Equipment:** The room is equipped with a hospital grade Medela Symphony breast pump.
- **Location:** S6-100A (Across from school elevators) and S6-100B
- **Access:** Send an email to Melissa.Courtois@umassmed.edu (Parking Office)
- **Privacy:** Only those given pass card access can enter the room. When someone is in the room a red light outside the room will indicate that it is "occupied"

South Street Building

The room is divided into two private spaces to accommodate two nursing mothers at one time.

- **Equipment:** Each room is equipped with a hospital grade Medela Symphony breast pump.
- **Location:** The Mother's Room is located on the second floor of Building-1 (SHR 1-2).
- **Access:** Employees need to email South Street Security to receive card access.
- **Privacy:** The room locks when you close the door. There is a "Privacy" sign that you should put outside the door when in use. When finished, put the "privacy" sign inside the room.
- **Scheduling:** When you receive access to the Mother's Room, you are also granted access to the South Street Mother's Room calendars on Outlook.
