

Cardiovascular Thrombosis Research Center

Weekly Conferences

1999 - 2000

Date	Speaker	Topic
11/03/99	Michael Rohrer	Medical Management of Periferal Vascular Disease: Clinical Practice and Investigation
11/10/99	No Meeting	AHA National Meeting
11/17/99	Ezra Deutsch	Local Delivery of Enoxaparin to Prevent Restenosis After Coronary Stenosis
12/01/99	Cancelled	-----
12/08/99	Mark Furman	Divison Research Seminar: The Effects of GPIIb/IIIa Antagonism on Platelet Function: Beyond Inhibition of Aggregation
12/15/99	Richard Becker	Heparin-Induced Thrombocytopenia. What Every Clinician Should Know
12/22/99	Richard Becker	Combination Pharmacology in ST Segment Elevation MI
12/29/99		OPEN
01/05/00	Fred Anderson	Preventing Deep Vein Thrombosis and Pulmonary Embolism
01/12/00	Fred Spencer Steve Ball Tammy Stuart	The PREVENT Trial: Long-Term Management of Venous Thromboembolism
01/19/00	Dan Fisher	Division Research Seminar
01/26/00	Richard Becker Fred Spencer Mark Furman Steve Ball	Clinical Trials Update, Cardiovascular Thrombosis Research Center
02/02/00	Harold Dauerman	Q-Wave MI Findings from the Worcester Heart Attack Study
02/09/00	Richard Becker Fred Spencer	Case Studies in Arterial and Venous Thromboembolism
02/16/00	Theo Meyer Eugene Chung	Division Research Seminar: Seasonal Effects on Lipids and Other Biological Variables
02/23/00	Fred Spencer Richard Becker	Clinical Pathologic Conference (CPC) - Thrombocardiology
03/01/00	Rob Goldberg Joel Goel Fred Spencer Fred Anderson Steve Ball	The GRACE Registry - An Epidemiologic Approach to Acute Coronary Syndromes
03/08/00	Richard Becker	Warfarin in Cardiovascular Disease
03/15/00	No meeting	ACC National Meeting
03/22/00	Ira Ockene	Division Research Seminar
03/29/00	Fred Spencer Richard Becker	Journal Club - Thrombocardiology
04/05/00	Liberto Pechet, M.D.	Diagnostic Management of Thrombotic Disorders Associated With Malignancy
04/12/00	Ed Folland	The Evolution of Percutaneous Coronary Interventions
04/19/00	Fred Spencer	Division Research Seminar

04/26/00	Jorge Ballager St. Vincents	Update on Surgical Techniques for Coronary Artery Disease
05/03/00	Robert Giugliano TIMI Chair Office Brigham & Women's	Diagnosis and Management of GPIIb/IIIa-Mediated Thrombocytopenia
05/10/00	Jeanne Corrao Terri Mazzairelli Mark Borzak Bonnie Weiner	Approach to Acute Coronary Syndromes - Advanced Practice Nursing Model
05/17/00	Bonnie Weiner	Clinical Trials Update: Interventional Cardiology
05/24/00	Fred Spencer	Statistics and Epidemiology for Cardiologists
05/31/00	Fred Spencer Richard Becker	Case Studies - Thrombocardiology
06/14/00		Open for Visiting Speaker
06/17/00	Omar Ali	Platelet Activation with GPIIb/IIIa Antagonists
06/21/00	Seth Dahlberg Jeff Leppo	Division Research Seminar
06/28/00	Richard Becker Fred Spencer	Clinical Trials Update - CTRC
