

RNA Club

Tuesday March 21, 2017

9:00-11:00 am

3rd Floor Seminar Room, Biotech II

Breakfast will be provided

Sponsored by:

**Oligonucleotide Therapeutics: From Chemistry
Advances to Clinical Utility**

Anastasia.Khvorova
(RTI)

**Ensemble cryo-EM elucidates the mechanism of
translation fidelity**

Anna Loveland
(Korostelev Lab)

**The regulatory potential of micro-RNA 155 in alcohol-
induced exosome production**

Istvan Furi
(Szabo Lab)
