

TEACHING OF TOMORROW

Teaching of Tomorrow (TOT) is a nationally recognized and highly acclaimed Faculty Development Program

- Over 25 years of teaching and learning
- Award-winning UMass faculty from Family Medicine and Community Health, Internal Medicine and Pediatrics
- Training for over 1,600 clinical faculty and preceptors from across the Northeast (and beyond)
- Guiding philosophies: Learner-centered teaching, principles of adult learning, and building knowledge through dialogue
- Participants focus on building and refining foundational skills for effective clinical teaching (inpatient and ambulatory settings)
- Fun, safe, active learning environment to practice new skills

Accreditation:

CME credits are granted by the American Academy of Family Physicians

Program Goals:

Track 1 – Foundations of Clinical Teaching and Educational Planning

- Ignite and share a passion for teaching
- Develop practical teaching skills for effective and efficient teaching in the clinical setting
- Provide practice opportunities to apply and assess new teaching skills

Track 2 – Building Your Career as a Clinician Educator (Limited to 10 graduates of Track 1)

- Develop strategies to advance your career as a clinician educator
- Expand your knowledge of teaching and learning
- Develop an educational project or curriculum with mentorship from faculty

Format and Description:

- A total of 4 days of training: two, 2-day conferences, beginning Friday morning and ending Saturday afternoon
- The learning sessions alternate between brief, large group didactics and small groups, which include application of new skills and case and problem-based learning.

Topics include:

- Characteristics of good teachers
- Conducting needs assessments
- Writing and implementing learning objectives
- Effective and efficient teaching methods
- Feedback and evaluation
- Working with challenging learners

Audience:

- Clinical educators – MDs, DOs, NPs, PAs, RNs, Behavioral Health, Pharmacists
- Primary Care and Specialty providers
- Teachers of students, residents, and advanced learners
- Teachers in both In-patient and Ambulatory settings
