

5th Annual Global Health Repurposing Awards

The ***5th annual Global Health Repurposing Awards*** will be held on June 27, 2017 in Chicago, IL, and we need your help in finding our awardees!

Cures Within Reach has issued a Call for Nominations for our [Patient Impact Research Award](#) and our [Patient Impact Philanthropy Award](#). This year we seek to honor researchers, clinicians, groups or organizations who have made an impact in rare diseases through repurposing. Awardee criteria can be found in the attached award descriptions.

Nominations are accepted through the [Cures Within Reach](#) website and are **due by February 13, 2017**. Please feel free to nominate members of your institution or other organizations, and please share this Call for Nominations widely with your network.

Please contact me at clare@cureswithinreach.org if you have any questions. We look forward to seeing your nominations!
