

# Graduate School of Biomedical Sciences

## FORM MSC104: THESIS PROPOSAL OUTCOME

INSTRUCTIONS: The student should provide the names of all committee members for this form, prior to the proposal. Committee members may sign at the proposal, unless the TRAC determines that questions about the outcome are significant enough to warrant delay.

The TRAC Chair should sign the form only upon approval of the final revised versions of the proposal.

This form will not be accepted, and the student record will not be considered Complete, unless all TRAC members have signed and dated the form.
