

# Graduate School of Nursing

## Graduate Entry Pathway (GEP) to DNP/Psych MH NP

The University of Massachusetts Medical School (UMMS) is the commonwealth's first and only public academic health sciences center and consists of 3 schools. This association provides for a rich interprofessional environment for learning and practice experiences.

### Why consider the UMass Medical School Graduate School of Nursing?

- ◇ Small student to faculty ratio
- ◇ Blend of in class and on-line learning
- ◇ Clinically active and practicing faculty
- ◇ Part of a top rated medical school that includes interprofessional and state-of-the-art education and Simulation Center

### DNP Nurse Practitioner Population Focus Track

#### Psychiatric Mental Health NP

focuses on individuals and families across the lifespan from diverse populations at risk for developing and/or having a diagnosis of psychiatric disorders or mental health problems. The PHMNP provides primary mental health care to patients seeking mental health services in a wide range of settings.

The Graduate entry Pathway is designed as an alternate pathway into the Doctor of Nursing Practice (DNP) Program for applicants who have a bachelor's degree in a field other than nursing. Students who are not registered nurses, who seek a doctoral degree in nursing, can become a Nurse Practitioner in a leadership role.

The curriculum is designed to educate students to improve and transform health care as advanced practice nurses through systems leadership, research translation, and advanced clinical knowledge. Graduates are prepared to assume APN leadership roles in hospitals and community-based settings, health care organizations, and schools of nursing as clinical faculty.

The GEP to DNP prepares students to meet the objectives of The Essentials of Doctoral Education for Advanced Nursing Practice (AACN, 2006), the Nurse Practitioner Core Competencies (NONPF, 2012), as well as the Population Focused Competencies for Psychiatric Mental Health Nurse Practitioners (NONPF, 2013).

The University of Massachusetts Medical School, Graduate School of Nursing pre-licensure program is approved by the Massachusetts Board of Registration in Nursing, Nursing Registration in Massachusetts, 239 Causeway Street, Suite 500, Boston, MA 02114.

Please refer to the UMSS GSN website for admission requirements: [www.umassmed.edu/gsn](http://www.umassmed.edu/gsn)
