SUBJECT: Open Enrollment for Your Voluntary Benefits Begins February 1, 2021

UMass Medical School (UMMS) Human Resources is pleased to announce that the University of Massachusetts (UMass) will be providing the following voluntary benefit offerings that are accessible through **UMass Compass**, beginning Monday, February 1, 2021.

Employees may sign up for these programs during the open enrollment period of February 1 - 28, 2021:

- **Legal Services through MetLaw Legal** - This service provides you with full coverage towards legal advice and representation for most personal legal matters (employment and business-related matters are excluded from coverage).

Other valuable benefits that are available to enroll year-round are as follows:

- **Auto & Home Insurance** - Save money with special employee rates for your car, boat, motorcycle, home and more.
- **ID Theft Protection** - Protect your identity and your financial information from thieves.
- **Discount Shopping** - Receive exclusive discounts on technology, entertainment, travel, and more.

How to sign-up for these benefits:

Starting Monday, February 1, 2021, log on to [UMassCoreStream](#) to learn more and enroll in these benefits.

*Please note: Enrollments or changes to your **non-voluntary benefits** (i.e. GIC Health Insurance) can be made during our regular UMMS benefits open enrollment which occurs each spring. **These new voluntary benefits being offered by UMass do not impact your UMMS non-voluntary benefits.***
