

Can you act?

Would you like to be involved in contributing to medical education?

Did you know that lay people called “Standardized Patients” can learn to portray patients/clients and coach learners at all levels? Please join us to learn more about becoming a Standardized Patient: turn your interests into meaningful part-time evening work contributing to medical education across the United States through an online platform.

- Act as patients/clients experiencing stress from a young female’s relocation to the United States post hurricane Maria and long-term mental health challenges affecting a middle aged male.
- Provide feedback and coach your learner, according to defined competencies
- Earn while you learn: \$18.00/hour – Earn on assignment: \$20/hour
- All sessions (training and portraying) will be held in the evening approx. 7pm – 9pm
