

Profiles (Research Networking Software)

Adding a Twitter Feed to Your Profiles Page

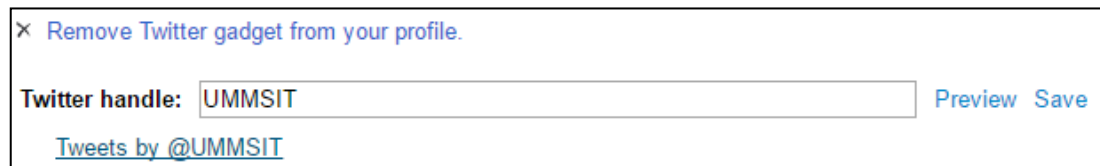

1. **Navigate** to your Profiles page and select **Edit This Profile**.
2. **Click** the Twitter option listed under the Category: ORNG Applications.

3. **Select the** Add Twitter option.

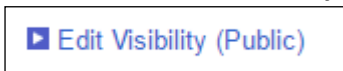

4. Enter the **Twitter handle** for the twitter account you wish to follow. (include only the text after the @ sign).
5. Click **Preview** or **Save**.
Preview will show how it will look.
Be sure to click **Save** after previewing!

If you do not wish to preview, simply click on **Save**.

6. Remember to **Edit Visibility** so people can view this on your profile.

7. When viewing the profile you will see the tweets. Click 'Tweet to @xxx' to bring up a pop-up to send a tweet.
8. If you mouse over a tweet near the bottom right of any tweet you will see options to

- Reply to a tweet 

- Retweet a tweet 
- Mark as a favorite 
- View any associated media  [Show Media](#)

You also have the option to:

- Add to your Twitter account as a follower 
- Go the Twitter home page for these tweets [Tweets](#)
- Scroll to bottom of tweets and load more tweets
