

UMMS Supervisor	Carolynn DeBenedectis MD
Email	Carolynn.DeBenedectis2@umassmemorial.org
Phone	508.387.2098 (pager)
Location	UMass Memorial Medical Center University and Memorial Campus departments of breast imaging
Day One Instructions	Contact Dr. DeBenedectis (via email) the day prior to your rotation to find out where she will be so you can meet her there on the first day of your rotation.

FCE DESCRIPTION

An introduction to the field of breast imaging to help medical students who are not per se going into breast imaging but who are interested in a field that may involve interpreting breast imaging report or studies, such as surgery, OB/GYN or primary care.

FCE LEARNING OBJECTIVES

The goal of this course is to teach medical students how to interpret breast imaging reports, what the recommendations from the radiologist mean and what the specific breast imaging studies and procedures are so they know what to order.

UMMS Competencies	Communicator, Problem Solver, Professional
Inter-professional	no
Interdisciplinary	no
Evaluation Type	Attendance, Effort, Participation
Evaluation Criteria	Case Presentation
Prerequisites	None
