Day One Instructions	Day one start time is 7 00 AM, report to Memorial campus 4E control desk, and ask for the attending OB anesthesiologist (have her/him paged if not in the immediate vicinity)

---

#### FCE DESCRIPTION

A one-week elective on the labor and delivery unit at the Memorial campus in which the student will work with the attending anesthesiologist and the resident or nurse anesthetist as a part of the OB anesthesia team.

#### FCE LEARNING OBJECTIVES

- be able to perform a preoperative evaluation on a parturient
- understand the factors affecting the choice between general and regional anesthesia in the parturient
- understand the basic technique for placing spinal and epidural anesthetics
- understand the more common adverse responses to anesthesia in the parturient and how to manage them

UMMS Competencies	Professional, Scientist, Communicator, Problem Solver
Inter-professional	No
Interdisciplinary	No
Evaluation Explanation	Students will be evaluated based on attendance, effort, and participation on the team
Prerequisites	Anesthesiology elective during the surgery clerkship OR FCE: Introduction to anesthesiology
