#### FCE DESCRIPTION

Students will participate in a variety of activities within cardiology and will be supervised by several faculty members and cardiology fellows over the course of the week. They will spend time in the cardiac catheterization lab, electrophysiology lab, outpatient clinics, coronary care unit, and heart failure service. Students will have the opportunity to attend educational conferences during the course of the elective.

#### FCE LEARNING OBJECTIVES

The objective of the course is to understand the scope of cardiology practice by experiencing a variety of cardiology procedures and patient-care settings.

UMMS Competencies	Professional, Scientist, Communicator, Problem Solver, Advocate, Person
Inter-professional	no
Interdisciplinary	Medicine
Evaluation Type	Attendance. Effort, Participation
Evaluation Criteria	Clinical Skills
Prerequisites	None
