

UMMS Supervisor	Shahrzad Shidfar MD
Email	Shahrzad.Shidfar@umassmemorial.org
Phone	508.334.5452
Location	University Campus
Day One Instructions	Meet with faculty in the hospitalist room on the 6th floor, 6 East, at 8:00 am

FCE DESCRIPTION

Medicine consult at university is performed by hospitalists. the goals are identifying unrecognized comorbid disease and risk factors for medical complications of surgery and optimizing the preoperative medical condition. Two common practices are peri operative cardiovascular risk stratification and co-mangement with orthopedic surgery for patiетns with hip fracture. Other areas that we also provide consult are : managing anticoagualtion in atrial fibrillation and mechanical heart valves.

FCE LEARNING OBJECTIVES

- describe the basic rules and techniques to an effective medicine consult
- understand and name stepwise approach to perioperative cardiovascular risk stratification
- understand and explain the mechanic of medicine and orthopedic co-management in managing orthopedic surgery patients

UMMS Competencies	Professional, Scientist, Communicator, Problem Solver, Advocate, Person
Inter-professional	No
Interdisciplinary	No
Evaluation Type	Attendance, Effort, Participation,
Evaluation Criteria	Clinical Skills, Case Presentation, Journal, Oral Presentation
Prerequisites	None
