

UMMS Supervisor	Laura Lambert MD
Email	Laura.Lambert@umassmemorial.org
Phone	508.334.5274
Location	UMassMemorial Health Care Center (University & Memorial Campuses)
Day One Instructions	Students should email Dr. Lambert (laura.lambert@umassmemorial.org) ONE WEEK IN ADVANCE to arrange a meeting time and tentative schedule.

FCE DESCRIPTION

- learn how to diagnose & stage common abdominal and thoracic cancers
- exposure to multidisciplinary cancer care in the 21st century
- learn about rationale for neoadjuvant vs. adjuvant chemoradiotherapeutic treatment options for common thoracic and abdominal malignancies.

FCE LEARNING OBJECTIVES

Students will get an understanding of how cancers of the thorax and abdomen present and how they are staged to allow formulation of treatment plans. The rationale for multi-disciplinary care for complex oncologic disease will be explored as will the rationale for patient selection for aggressive combined modality treatment regimes. Students will attend Tumour Board Rounds, see patients in Multi-Disciplinary clinics, and attend in the operating room.

UMMS Competencies	Professional, Scientist, Communicator, Problem Solver
Inter-professional	No
Interdisciplinary	No
Evaluation Type	Attendance, Effort, Participation,
Evaluation Criteria	Clinical Skills, Case Presentation
Prerequisites	None
