

UMMS Supervisor	Mitchell Bamberger MD
Email	Mitchell.Bamberger@umassmemorial.org
Phone	508.334.0940
Location	University and/or Memorial Hospital
Day One Instructions	Report to Urology Clinic at Memorial campus or contact Dr. Bamberger the Friday before starting

FCE DESCRIPTION

One week of clinical exposure to inpatient and outpatient urologic pathology. Both clinic (outpatient based) exposure to urologic problems and clinic based procedures mixed with inpatient exposure to complex urologic pathology involving multidisciplinary fields of surgery, transplantation medicine, internal medicine, trauma, and orthopedics)

FCE LEARNING OBJECTIVES

- expand clinical exposure to outpatient urologic problems seen in the community
- gain clinical experience with complex inpatient urologic care including intra-operative and post-operative issues
- learn basic urologic care for all healthcare providers prior to referral to urologic surgeon

UMMS Competencies	Professional
Inter-professional	No
Interdisciplinary	No
Evaluation Type	Attendance, Effort, Participation
Evaluation Criteria	Clinical Skills
Evaluation Explanation	Evaluation will be based upon attendance, participation in clinic/OR cases, as well as participating in in-house clinical rounds with Urology Team.
Prerequisites	none
