Location	Central Massachusetts Podiatry
Day One Instructions	Please email Dr. Pelto prior at don@worchesterfootcare.com for instructions

FCE DESCRIPTION

In this rotation you will learn how to do a comprehensive diabetic foot exam, do simple treatment of diabetic wounds and learn care for common foot conditions that come in the office.

FCE LEARNING OBJECTIVES

You will understand a comprehensive diabetic foot exam, have a basic understanding of wound care and off-loading a diabetic ulcer. Perform debridement of ulcers. I would also like to you do a presentation on a podiatric topic of choice.

UMMS Competencies	Professional
Inter-professional	yes
Interdisciplinary	yes (Orthopedics & Physical Rehabilitation Radiology)
Evaluation Type	Attendance, Effort, Participation
Evaluation Criteria	Clinical Skills, Case Presentation
Evaluation Explanation	It will be based on your attendance and participation. I hope you will find it fun and work on a little project for you to learn more.
Prerequisites	Be able to be present in the office and show interest in diabetes. To learn more visit a few online resources I have put together. www.healmyfootwoundfast.com , www.drpelto.com , http://www.linkedin.com/in/donpelto
