Day One Instructions Please email supervisor one week in advance of FCE

FCE DESCRIPTION

Students will accompany the Steward Health Care System Medical Director for Hospitalist Services in every aspect of his duties. This may be a mix of administrative and clinical work, but the FCE will focus on administrative responsibilities. Students will complete an inventory to learn more about their leadership style and goals, practice the basic mechanics of financial valuation and accounting (with guidance), learn principles of marketing and strategy, evaluate health care operations metrics, and learn personal finance skills.

FCE LEARNING OBJECTIVES

- Describe their leadership style and goals more concretely
- Explain the mechanics of basic financial valuation
- Perform a high-level strategy analysis
- Assess the advantages and disadvantages of various health care operations metrics
- Create a basic personal financial plan
