

Jennifer Harter, Ph.D.
Senior Project Director

Dr. Harter is a Senior Project Director at the University of Massachusetts Medical School, one of the developers of the MISSION model, and an author of the MISSION treatment manuals, participant workbooks, and supplementary materials, including a peer specialist and navigator toolkit. Her work focuses on the training of MISSION staff with experience on team-based care and evidenced-based practices. Dr. Harter is also a licensed clinical psychologist skilled in cognitive behavioral interventions and motivational interviewing.
